PARISH NEWS & INFORMATION

Mitochondrial Awareness Week – 18-24th September

We are going to light up St Mary & St Peter's to support this awareness week. Mito is a debilitating, life limiting disorder that robs the body's cells of energy, causing multiple organ dysfunction or failure. There are few effective treatments and no cures. It can cause any symptom in any organ at **any age**. Despite affecting 1 in 5000 people including some of our own community and yet most people have never heard of Mito. This is a way of changing that.

Lancaut Pilgrimage Returns this Autumn

Sunday 17th September 2023 will see the return of the pilgrimage to Lancaut for an act of worship at 3.00pm in the old ruin of St James' Church.
