Dear Applicant,

**Re: Children, Youth and Families Missioner for the Parish of Tidenham**

Thank you for your interest in the above position. I am pleased to be able to attach the Job Description & Person Specification along with an application form for this exciting post. I have also attached the Annual Reports for 2019 and 2020 which give some more detail regarding the goings on in the Parish pre Covid as well as during the last year.

This post comes with a lovely opportunity to be a part of mission and ministry in this locality, building on many fruitful years of ministry to children, young people and families. It also comes with an opportunity to shape and reshape this ministry as we emerge from the Covid Pandemic. If you are interested in this post, it may help you to know the Parish realises that the post comes with a very comprehensive Job Description that might seem a lot for an individual, but the Parish also recognises that no one candidate is likely to be an expert in every part of this role. Whilst the role needs someone with particular skills who can lead and move things forward, the role also involves working with others and sharing responsibility.

All application forms need to be completed electronically as a Word and PDF document. The deadline for us to receive completed applications is Wednesday 19<sup>th</sup> May 2021. Interviews will be held on either Tuesday 25<sup>th</sup> May or Wednesday 26<sup>th</sup> May 2021.

For an informal chat about the post please either phone me on 01291 760034 or email me at [DTRevd@aol.com](mailto:DTRevd@aol.com) . If I am not available then leave contact details and I will get back to you as soon as possible.

With my prayers as you discern whether this may be a right post for you.

God bless

David
